

visionPDX Partners and Friends – Individuals

The product of an extensive two year engagement process that involved approximately 17,000 community members, *Portland 2030: a vision for the future*, represents Portlanders' long-term aspirations. As a Partner or Friend of visionPDX, you can be a part of achieving awareness of and support for our community vision, ensuring that it is widely used to shape Portland's future.

1) Would you like to become a Partner/Friend of visionPDX?

- Yes! Please consider me a Partner/Friend
- No, but keep me informed (skip to contact information below)
- Maybe ... I need more information. Please contact me (skip to contact information below)

2) As a Partner/Friend of visionPDX I agree:

- That the community vision expresses the values widely shared among Portlanders—equity, sustainability, community connectedness and distinctiveness, accountability and leadership, inclusion and diversity, innovation and creativity, and safety.
- That the community vision represents a call to action for Portlanders to work collaboratively with government to create the built, economic, environmental, learning and social future of our City.

3) I wish to be an ACTIVE Partner/Friend of visionPDX by (check all that apply):

- Participating as a member of the Vision into Action Coalition (kick-off in January 2008).
- Volunteering on action projects supported by the Vision into Action Coalition.
- Participating in the annual visionPDX public event to share accomplishments, lessons learned and aspirations with other partners and friends.
- I cannot be ACTIVE at this time, please consider me a supporter only.
