

visionPDX Partners and Friends –Organizations

The product of an extensive two year engagement process that involved approximately 17,000 community members, *Portland 2030: a vision for the future*, represents Portlanders' long-term aspirations. As a Partner or Friend of visionPDX, you can be a part of achieving awareness of and support for our community vision, ensuring that it is widely used to shape Portland's future.

1) Would your organization like to become a Partner/Friend of visionPDX?

- Yes! Please consider my organization a Partner/Friend
- No, but keep my organization informed (skip to contact information below)
- Maybe ... we need more information. Please contact my organization (skip to contact information below)

2) As a Partner/Friend of visionPDX we agree:

- That the community vision expresses the values widely shared among Portlanders—equity, sustainability, community connectedness and distinctiveness, accountability and leadership, inclusion and diversity, innovation and creativity, and safety.
- That the community vision represents a call to action for Portlanders to work collaboratively with government to create the built, economic, environmental, learning and social future of our City.

3) As a Partner/Friend of visionPDX we would like to (check all that apply):

- Show our support for the vision and the extensive community effort that went into its creation.
- Participate in the Vision into Action Coalition (kick-off in January 2008).
- Identify how our organization **is currently** contributing toward achieving the community vision.
- Identify how our organization **plans to contribute** toward achieving the community vision over the next 1-3 years.
- Participate in the **annual visionPDX public event** to share accomplishments, lessons learned and aspirations with other partners and friends.
